

# How to navigate NAKANOSE Traffic Route

## LEGAL ROUTE FOR THE TSURUMI PASSAGE

When a vessel of the length of 50m or longer navigates in the area between **Line A** and **Line B** as shown above, she must navigate through **NAKANOSE Traffic Route**. Therefore, vessels going north of URAGA Traffic Route and entering directly in the **TSURUMI Passage** must navigate all section of NAKANOSE Traffic Route. As for vessels with draft longer than **20m**, this navigation duty of NAKANOSE Traffic Route does not apply for the time being.

If a vessel does not comply with this rule, she will be treated by the Japanese law.

The vessels that goes to KISARAZU district on the way of the NAKANOSE Traffic Route must turn right after passing the NAKANOSE light beacon No.4.
